Students have had the opportunity to participate in an extensive range of learning activities that contribute to the garden. These activities include building scarecrows, growing and cultivating garden produce and bundle, promote and sell Mother’s Day flowers. Other activities have included the contribution to the worm farm, weeding and replanting of vegetables ready for the new season.
There is much to celebrate in this years’ NAPLAN Scores for students in years 3, 5 and 7. Students in the above three year levels sat their NAPLAN Literacy and Numeracy Tests early term 2, we have only recently received our reports.

Year 3
Although 2016 year 3 students did not do as well as the year 3 students in Reading, Spelling, Grammar & Punctuation and Numeracy, they achieved a 19 point score improvement in Writing than the year 3 students in 2015.

Year 5
The 2016 year 5 students made the following improvements:
- Reading 7 points
- Writing 13 points
- Spelling 5 points
- Grammar 14 points
- Numeracy 11 points

Year 7
The 2016 year 7 students made the following improvements:
- Reading 5 points
- Writing 25 points
- Spelling 11 points
- Grammar 19 points
- Numeracy 16 points

In future newsletters we will be reporting to you other improvement data, from NAPLAN, Running Records, PATr & PATm.
