Room 21 Year 2/3

Room 21 has been learning many things this term, including:

Maths – we’ve been exploring **mass** and using words like grams and kilograms, tonnes, hefting, heavy, heaviest, light, lightest, gravity and weight. We also do **‘flash addition’** regularly to improve our recall of addition facts faster.

In English we’ve learnt about the articles ‘a’ and ‘an’. We like playing a game with hoops to sort out our objects using the correct ‘article’ hoop to match the noun.

In Spelling we’ve started using THRASS ‘rap’ songs and letter combinations to help with our spelling.

By the students of Room 21 and Ms Jagiello
