The Play at Lunchtimes program has been running for the last couple of weeks on a Wednesday and Friday for Reception to Year 3 students. The children have been very eager to get involved with over 50 students turning up for the activities on the first day. Numbers have continued to stay between the 20-30 students per activity with students being involved in a range of small games keeping them ac-

The program is also of great benefit to the PALS Leaders providing them with the opportunity to manage and run activities for their peers allowing them to develop interpersonal and leadership skills while also having some fun at the same time.
