Guided Inquiry Presentation—Ancient Egypt

Thank you to all the parents/guardians who attended the Guided Inquiry presentation at the end of Term 1. As you can see the students applied themselves very hard to complete a very high standard of work which is now on display in the Resource Centre, our classroom and the front office area. What impressed me was the fantastic planning and preparation that all the students put into their speeches. In their allotted one minute, they were all surprised by just how much information they could present in that short amount of time. The delivery of their speeches was also very impressive. A job well done Room 35!!

Another Guided Inquiry unit of work will return in Term 3 where the students will be able to further develop and enhance the research skills that were on show during Term 1. Keep up the great work!!
